· ALARM OF PIRE. - About 11 o'clock yesterday forenoon an alarm of fire was sounded, and exactly a half minute later the Hose boys, closely followed by the the Hose boys, closely followed by the Hooks, were rolling their carriage down Main street, towards the scene of danger. We never saw greater celerity in a Fire Department anywhere. The cause of the alarm was the burning of some carpeting on the roof of the Pioche Bakery, lower Main street, the fire having been communicated by sparks from a contiguous stove-pipe. Had the flames got under fair headway a general conflagration would most likely have ensued, but they were extinguished before the fire companies reached the ground. The proprietor is ignorant of how the carpet got on the roof, and suspects a bad design in putting it there.

Sr. GRORGE PRUIT PROSPECTS.-The enterprising fruit culturist, Joseph E. Johnston, of St. George, informs, us by letter, that he will have ripe peaches and apples in his orchard this month, and apples in his orchard this month, and that his apricots are now ripening. A few men in St. George as enterprising and intelligent as Mr. Johnson would soon make that place a rival of Salt Lake City. While enriching himself, he is benefitting the entire community in which he lives. A vast amount of canned fruits will be put up in St. George this Summer for this market, Mr. Johnson being at the head of a strong company which has been organized for that express purpose.

STATE OF NEVADA VS. ROSA STEIN AND NATALIE MORRIS. - This is the cutting case to which we alluded in our last. The defendants were arrested day before yesterday, Rosa as principal and Natlaie as accessory, on the charge of assault with intent to dogreat bodily harm; and on this charge bonds were given as required. But yesterday it was withdrawn, and the charge of assault with intent to com-mit murder was substituted. The defendants plead not guilty the latter charge, and will have a preliminary ex-amination next Monday. They gave bond for appearance in the sum of \$3,000

NIGHT before last, along towards morn ing, Harry Merritt got on the rampage, and aroused several hundred human beings from their slumbers and prevented as many more from going to sleep. Torrents of blood did not flow down Main street, for the reason that Harry wasn't after scalps, but the police corps of Pioche had to turn out in full force to Pioche had to turn out in full force to effect his arrest. He last night had a jury trial, and was found "not guilty" of disturbing the peace. How much would it take to disturb the peace of Pioche? Probably such an earthquake as shook San Salvador to pieces, a few weeks ago, might have some effect.

A NEW DRAMATIC TROUPE.-Manager Bird, an old theatrical manager of San panied by Mrs. Carter, a well-known actress. His full troupe, comprising a number of actors and actresses of ability, will soon arrive. They come, we believe, to fill an engagement for Captain Hanly, who has decided to open his fine new hall as a Theatre. With that object in view, he is having a stage erected and some fine scenery executed. Francisco, has arrived in Pioche, accom-

It goes out by one of Pritichard's fast freight trains.

A MOVE AGAINST UNNECESSARY ASSESS MENTS.—We hear public meetings of resident stockholders of several mines suggested here, to take action against Trus tees levying assessments when the cor-porations they represent have, or ought to have, money in their treasury. The plan is to secure co-operation with for-eign stockholders, through correspon-

YESTERDAY was the hottest day of the eason. The temperature in the shade was oppressive from 10 o'clock in the was oppresented in the afternoon. From winter to summer the jump has been sudden and unexpected. Two weeks ago we had considerable of a snow storm.

Dove KILLING.-We see doves in market, having been shot or trapped by Chinamen, we are told. We don't be-lieve a white man would shoot this gentle and beautiful bird.

Tuz American Flag Company has levied an assessment of \$1.50 a share, instead of \$1, as first reported.

Ir is said there are now \$800,080 in the Raymond & Ely treasury, or \$26.33% for every share. "Pungling" day must come some time, and, in the meantime, the amount due the shareholders is in-creasing at the rate of \$5 per share per month.

ANOTHER STRIKE,-There seems no doubt that a rich body of ore has been struck in the Portland mine. It is ru-mored that it is being stoped out now, and that hoisting it to the surface will soon ABOUT 7 o'clock yesterday evening, 750
